## ABOUT THE EXHIBITION

This year marks the 32nd annual Hartford Youth Art Renaissance student exhibition at Hartford's Wadsworth Atheneum Museum of Art. The project was developed as a collaboration of the museum, the Hartford Public Schools, the former Craftery Gallery, City of Hartford, LINKS, and other sponsors. It encourages artistic excellence in the visual arts by Hartford's young people. This year's exhibition features more than 150 pieces from children in kindergarten through the twelfth grade.
